Vol. 5 Thur. March 13 No. 11
Jock McIntyre, Editor

Champion is going to have three more annexes, one at the Pool, one at the National and one at the U. G. G. Some of these elevator men are going to have trouble finding their offices it seems.

Ladies you will want to come in and look over the Dominion washers, they are the last word in efficiency and beauty and you can have the color you want too and it's tops in modern washer value.

We join the whole community in extending our heartfelt sympathies to the Hummel family. Champion has had only a few such public spirited citizens as Barney was and his loss will be felt.

We have several real values in used farm machines and tractors 3—22x36 H. P., 1—W. 30 on rubber, 1—10-20 H. P., 1—10 ft. double disc like new, 1—9 ft. harrow plow with seeder attachment, A 1 condition, if you are interested you should see us now.

Howard Orcutt is getting along nicely in Lethbridge hospital and expects to be home soon.

Friends, speaking of hardware values, you will always find good goods at honest values and us ready to serve you at all times for we want to be "Your Hardware Merchants," think it over folks.

Champion was well represented at the Saturday and Wednesday hockey games in Lethbridge. Promoter Shorty reports an overwhelming demand for tickets.

Let us tell you about the new Laux Rez, it's an outstanding sealer for any surface that needs sealing protection and will water proof anything. It's a new product folks, with thousands of every day uses. It's made by the makers of that outstanding washable casian inside paint, Vello.

This didn't happen in Champion—Landlady: "I thought you took a gentleman up to your apartment last night, Miss Smythe."

Miss Smythe: "Yeah; that's what I thought, too!"

Champion Basket Ballers Succumb to Carmangay and Barons

Three basketball games were staged in Carmangay Tuesday, March 11, with two teams from Champion, one from Carmangay and one from Barons.

The first game opened between Carmangay Junior Boys and Barons Junior Boys, at 8 o'clock.

The opening was slow and each team was playing a rather cautious game, feeling each other out. Suddenly, Barons broke loose and scored two baskets in rather quick succession. From then on Barons had a definite edge in play, and had it not been for the power man of Carmangay, Veron Christensen, who came through with a total of 9 points, Carmangay would have been lost in a fog.

Barons showed what good coaching and practice could do. Each player played for the benefit of the team no one at any time being outstanding in the play.

Barons clever passing, forechecking and shooting kept Carmangay from getting their plays organized. Rush after rush made by Carmangay backfired into a two count for the Barons boys.

The final score Barons 23, Carmangay 13.

Carmangay—V. Christensen 9, Rod Minty 4, Buck Moore, Alvin Lawrence, Earl Smith, Harvey Robinson, Lorne Smith, Paul Plourd.

Barons—D. Garwin 8, Jim Barber 4, Elmer Erdman 4, Doug. Hood 3, D. Shearer 2, C. Erdman, J. Warnock, D. Lyon, D. Yates, L. Peacocke.

Referees—J. McFarland, R. Inman.

The second game set of the evening found the Carmangay Senior Ladies and Champion High School Girls once again rivaling for honors; and, once again the Carmangay showed a definite superiority as they downed the Champion Scotties by a score of 32-14.

Carmangay opened the scoring shortly after the first whistle and went unchecked until the dying moments of the first half. At the end of the first two frames Carmangay led by a score 20-2.

The Champion girls seemed to be playing an off-night as they failed to get organized into their usual class of passing. They passed wildy, their passes often setting up plays for Carmangay.

During the next two quarters the Champion team tightened their hold and scored a total of 12 points, tying the score for that part of the game, with Carmangay, who also scored 12.

Lottie McKay of the Carmangay team stole the show by rapping home a total of 19 points for her team. She was a curse to the Scotties, who tried every method short of fowling, to

Ladies' Aid Sponsors Excellent Concert And Quiz Show

A concert and quiz show sponsored by the Ladies' Aid was presented in the Community hall on Wednesday evening of last week, a large and appreciative audience being present. The following program was given:

"O, Canada;" high school chorus; "O Who Will O'er the Down?" "Beautiful Ohio;" solo, Morag McDougall, Bonnie Dundee; "Kerl Row;" accompanist Shirley Taylor; piano solo, Irene Hiltz; solo, O. P. Thomas, "Shipmaster o' Mine;" "When You Look in the Heart of a Rose," accompanist Miss E. Orr; tap dance, Annetta Weiss, Maurice Weiss, accompanist Dorothy Hummel; violin solo, Dr. D. Nicol, "Londonderry Air;" Minnet in G," accompanist

stop her. She popped up from nowhere, she broke up plays, she looked as if she could shoot a basket standing on her head.

The Champion "Scotties" divided their honors between Eva Latiff, Ethel Griffin, who posted four each, Rose Chaproniere with three, Linda Cemulini 2, and Pauline Fisher 1.

Rose Chaproniere played the most out-landing game for the local girls as she moved from the forward line at the end of the third quarter to tag Lottie McKay and efficiently prevent her from becoming more dangerous.

Carmangay—Ethel Nugent, Eileen Dayman, Orvilla Smith, Geneva Brandvold 2, Lottie McKay 19, Mike Moore 7, Mary McFarland 4, Hazel McFarland.

Champion "Scotties"—Eva Latiff 4, Rose Chaproniere 3, Marjorie Ditto, Joyce Christensen, Pauline Fisher 1, Ethel Griffin 4, Doreen Stewart, Linda Cemulini.

Referees—John McFarland, Stan. McKay.

The third game of the evening found Barons Boy's playing against Champion.

The Champion boys were confident as they stepped on the floor, but from the first whistle Barons showed a superiority and a system that so baffled the locals that they seemed to be going around in a trance, dreaming that somewhere on the floor was a basketball. Except for the few times the boys did score, the only time they were sure there was a ball was after Barons scored and they were given the privilege of throwing it back in again so Barons could repeat the tossing of the ball through the hoop.

Garvin paced the Barons team as he ran wild to score a total of 20 points. Hood came second in the scoring list with a total of 12 and Barber followed a close third with a total of 10. The scoring finally ended with the last whistle and it found Barons on the winning side with a score of 55 to 11.

Barons—Barber 10, Garvin 20, Hood 12, Shearer 2, Erdman 2, Yates 4, Gus Erdman, J. Warnock 5, Lyon, Peacocke.

Champion—W. Kramer 1, T. Doyle 2, W. Gatenby 8, M. Weiss, R. Depue, 2, R. Goodman 2, R. McLean, L. Gardner.

Referees—S. McKay, R. Inman.

ANOTHER CALL IN MARCH

There will be another test during the month which will help to reveal whether or not Canadians have their hearts in the war right on the top of the War Saving Certificate campaign, citizens are being invited to supply the funds needed to ease the daily life of Canadian soldiers away from home.

More than five million dollars will be required to enable Canada's War service organizations to carry on their vital work. The money will be spent directly on the soldiers by the Canadian Legion, Y. M. C. A., Knights of Columbus, Salvation Army, Y. W. C. A. and the I. O. O. F., acting as agents for the folks back home.

During the past year time and time again people have asked for a combined appeal, not wishing to give to one organization and not able to give to another. Now we have just that accomplished. There is a central organization with provincial offices and all are serving without salary.

Watch for the appeals in this paper and be prepared to give your utmost. No we don't have to dash for cover during nightly air raids and as sensible people we wish to help those who are standing in the front line. So let's be all out to win the war by buying War Saving Certificates, helping the soldiers, through the Red Cross, and through the joint appeal.

TOO MUCH TALK

We have received a poster from the Director of Public Information which shows in pictures what damage to our war effort is being caused by careless talk.

The picture shows, a soldier telling his best girl that he is being moved, the girl tells her dad and so on—results train wreck.

Residents of isolated communities such as this are inclined to feel themselves secure against such action but they are very much mistaken. There is far too much talk in Champion as in other communities about the movement of soldiers, activities in plants in Calgary and Lethbridge. Your words may be acted upon at once or at the moment it suits the enemy.

If you have any information about the soldiers or shipment of war materials keep it to yourself. If you have anything to tell the family tell them in a manner that no details are given. If you have any information about enemy agents, lack of guards at plants tell no one but district police officer or direct to R. C. M. P. Ottawa. Be sure of your facts and prompt to act.

Champion School War Saving Certificate Drive Progresses

After 6 weeks of operation in the Champion school, the War Savings Campaign is progressing quite well. Money loaned by students and teachers have amounted to \$66.50. War Saving Certificates have been purchased in sums varying from \$5 to \$50. The purchasers of War Savings Certificates are J. E. Brown, E. Orr and Mervyn Smith. Some of the students are making it a regular habit to obtain at least one stamp a week. Each week the number has been improving. The following are already with us in the drive to seal Hitler's fate: J. Ellis, I. Todd, J. Patterson, A. Ellis, A. Fath, I. Fox, L. Fisher, M. Fath, E. Farries, Raciell Hummel, Ramon Hummel, G. Farries, Edward Hartung, Elinor Hartung, R. Rinaldi, E. Clapp, S. Smith, M. Hopkins, E. Schmeelke, G. Hummon.

Council Meeting

At the council meeting on March 10th all members were present, minutes of last meeting read and adopted, correspondence read and attended to.

Moved by Mayor Henderson that consolidation agreements under the Arrears of Taxes Consolidation Act be cancelled 30 days from date of notice if not paid—carried.

Adjournment.
